

**Technical Working Group on Fisheries and Aquaculture (TWG Fish) -  
Agriculture Cluster**

**Summary Minutes Meeting No. 12 - 23 October 2008**

***Cancellation***

Today's meeting of the Agriculture Cluster Technical Working Group on Fisheries and Aquaculture had at short notice to be integrated with the main cluster meeting to provide time for the urgent Post-Nargis Recovery and Preparedness Plan (PONREPP) preparation activities.

**Technical Fact Sheet no 16** on an introduction to fishing methods and gear used in the delta area was distributed.

We are planning the **next TWG Fish meeting** as usual for next Thursday 30 October at 14.00h at the Chatrium Hotel, Yangon Room.
